## MSC FANTASIA

### Welcome to Naples!

Naples is the capital of the Campania region. With 1.064.000 inhabitants, it is the third largest Italian City and the main city in the South of Italy. Naples is located halfway between two volcanic areas, the volcano Mount Vesuvius and the Phlegraean Fields, sitting on the coast of the Gulf of Naples. It is a crowded metropolitan area with a density of 10.000 -50.000/km<sup>2</sup>. Piazza Municipio, a big square with garden areas, is the best place to start sightseeing in Naples. In the South of the Piazza, 5 towers rise from the Earth, Castello Maschio Angionino also known as Castel Nuovo. Beside Castel Nuovo there is the most beautiful palace of Naples, Palazzo Reale. The San Carlo Opera House built in 1737 is also a place of interest. With 3000 seats it is one of the biggest and most beautiful opera houses in Europe.
